ONLINE WORSHIP GUEST SURVEY

Thank you for taking time to be a secret guest at:

_____ **Church!**

As we are all too aware, “attending” a service of worship virtually is very different from being there in person. If you opt to attend another church online on May 22, please respond to the following questions:

1. How did you find the service for the church you chose to attend online (via the website? By calling the church office?)

2. How easy was it to sign on for the service? Was pre-registration required?

3. Which streaming platform did the church use for their online service?
 Zoom
 Facebook Live
 Skype
 BlueJeans
 Hangouts
 YouTube
 I don't know

4. Describe the quality of the livestreamed service (sound, picture, visuals).

5. Were you able to follow the order of worship? If not, why not?

6. Was the service bulletin available online? Were you required to print out a copy before the service began or was the bulletin visible online throughout the service?

7. Was there a time of greeting before the service? Did you participate?

8. Were any responsive readings included? How did it feel to “respond” virtually?

9. Describe the worship style (formal, informal, orderly, chaotic). How was the service shaped by the music? How was the music presented (choir, praise band, soloist, piano, organ, other instruments?) Did you feel comfortable singing from home?

10. How was the Word preached? Were visuals utilized?

11. How were/were prayer requests managed?

12. Was a time for online fellowship provided following the service? How did you know the online session had concluded?

13. Was there anything you would recommend to your home church to incorporate into our online worship?

14. What one thing did you most enjoy about online worship? What one thing do you never want to do again?
